

Pearl Hacks Hack Your Hoodie Registration Form

Important information (read me first :-)

* We only have space for 25 participants, so please sign up if you are interested.

* If you sign up but cannot participate, please let <INSERT YOUR EMAIL> know so I can move someone up from the waiting list.

* Participants should bring the item of clothing they want to "hack". A hoodie would work well (see my terrible sketch below ;-)

below ;-)

* We will provide all non-clothing materials (conductive thread, LEDs, batteries, etc.), as well as instruction.

* Red Hat will award LilyPad Design kits as prizes for the best Open Source Hack -- so if you like wearables... :-)
